**Small Group Counseling Sessions for Juniors**

***Curious about career inventories that can help you get started on planning for the future? Need help using career resources like eRecruiting, LACN Liberal Arts Career Network and the Colby Alumni Directory ?***

Juniors and Seniors interested in exploring how their interests, skills and personal preferences relate to career choices are encouraged to participate. Each group is limited to a maximum of four participants who are open to working with and learning from each other as well as a career counselor.

After the first meeting, the group can choose to continue to work together on the next steps of the Career Planning Process: Learning more about options and developing effective resumes and cover letters. Although any student can benefit, the small group sessions are particularly helpful for those who have only a general focus or feel torn between options.

To participate, review the start dates below and contact Diana Avella at: [dpavella@colby.edu](mailto:dpavella@colby.edu) indicating the group you would like to join. Make sure you include your class year and your student id number in your email. You i.d. number is necessary to authorize you to take the Do What You Are Inventory prior to our first meeting.

**Meeting Start Times: (All meetings are one hour long)**

1. Tuesday, January 15, 12 P.M.
2. Tuesday, January 15, 2 P.M.
3. Wednesday, January 16, 12 P.M.
4. Wednesday, January 16, 2 P.M.
