1)

PUBLIC HEALTH CAREER PANEL

Sponsored by Career Services and the Environmental Studies Program

Today - Tuesday, November 13, 7:00 in Olin 1

Two alumni will be on-campus for a dinner and discussion about working in the field of public health TODAY, Tuesday, November 13 at 7:00 pm in Olin 1. Barbara Leonard '83, currently the Senior Program Officer at the Maine Health Access Foundation and Brian Quinn '99, Program Officer in the Research and Evaluation Unit at the Robert Wood Johnson Foundation, will be on-campus to talk about their career paths and offer advice for those curious about the various jobs within this exciting field. Both panelists will also share their stories on how they got their advanced degree in public health.

Students are also invited to join us for a tray dinner with the panelists at 5:30 in the Fairchild Room in Dana.

2)

3)

WORKSHOP - FINDING A JOB IN HEALTHCARE/RESEARCH

Wednesday, November 14, 6:00 pm, Miller 8

Considering a career in healthcare? Wondering how to get experience before applying to your graduate program? This workshop will introduce a wide variety of options for the year after graduation, summer jobs, and Jan Plans. Learn about clinical experience, biomedical research, public health, community service, and other ways to strengthen your future career.

4)

THE PUBLISHING INTERNSHIP EXPERIENCE W/JULIE WILSON - RANDOM HOUSE INTERN

Thursday, November 15, 6:00 pm, Miller 8

This workshop will focus on finding, and making the most of internships with publishing companies. Julie Wilson, a Colby student who spent the summer interning at Random House will be available to speak about her experience and answer questions. Come hear about publishing and pick-up your FREE books compliments of Random House!

5)

SPEND YOUR SUMMER WITH OVERLAND TRAVEL AS A TRIP LEADER

Join us as we celebrate another summer of superbly led small group travel to the world's most beautiful places. Explore New England, the American West, the Alps and the countryside of France and Italy in a spirited, supportive Overland group. Come with us as we hike, backpack, bicycle tour, mountain bike, white-water raft, sea-kayak and canoe. No previous experience is necessary - all that we require is enthusiasm, fitness, determination and cooperation. This summer step into the outdoors with Overland. Experience the challenge and camaraderie, the fun and friendship of an Overland group and discover for yourself why we believe that Overland is what summer is meant to be.

An information session will be held on Wednesday, November 14, 7:00 pm, Philson Lounge, Cotter Union and information informal interviews will be held on November 15 in Career Services. To speak with a rep one-on-one, upload and apply your resume via eRecruiting by November 13.

6)

COLBY JOB SHADOW DAYS - FEBRUARY 4 AND 5, 2008

Being scheduled for February 4 and 5, the two day break between Jan Plan and the first day of second semester classes, this event will be a chance to meet with an alum at their place of business and learn from the inside what their chosen career field is all about. This will be a wonderful career exploration opportunity you simply could not find anywhere else. Look for a special e-mail directing you to a web site where all opportunities will be listed. Respond promptly. This is a first come/first served event!

7)

8)

LOOKING FOR A PAID SUMMER INTERNSHIP IN ANOTHER COUNTRY?

Consider AIESEC, the world's largest student organization. Internships are available in management, development, technology, and education.

Details and logistics include:

- * Duration: 2 to 18 months
- * Salary covers living costs except development internships
- * Matching takes 3-7 months
- * Application fee varies by country
- * Airfare not included

For examples of recent internships and countries, go to <http://www.aiesec.net/snci/examples/>

There's a chapter of AIESEC at Colby, which can help you through the application process. For further information, contact Haolu Wang hlwang@colby.edu.

9)

KOREAN AMERICAN LEAGUE FOR CIVIC ACTION 2008 COLLEGE INTERNSHIP PROGRAM

The 2008 College Internship program, an intensive, eight-week program that places interns in leading government offices, non-profit organizations, and political campaigns, is a unique opportunity for college students of Asian Pacific American descent with demonstrated leadership potential to gain practical, hands-on exposure to government, politics and nonprofit advocacy. The program is focused on community leadership and public service. Applications must be postmarked on or before February 25, 2008. For more information about KALCA visit www.kalca.org.

10)

11)

WANTED- PART-TIME COMPUTER PROGRAMMER/APPLICATION SUPPORT SPECIALIST

Based in Augusta, Uncle Henry's published a weekly classified ad publication. The computer programmer/application support specialist is a varied and challenging role that is responsible for maintaining and supporting Uncle Henry's custom developed internal applications, website and some of the day to day technical operations. The work environment is casual and can be fast-paced and high-stress at times. Please email susan@unclehenrys.com for details.

12)

PHILLIPS ACADEMY TEACHING ASSISTANT PROGRAM

Phillips Academy Summer Session is an academic, coeducational enrichment program for boarding and day students who are entering grades 8 through 12. Through its Teaching Assistants Program the Phillips Academy Summer Session offers positions to those who want a chance to test their aspiration to become teachers. Priority is given to those applicants who will have earned their bachelor's degree by June 26, 2008 but consideration will be given to applications from qualified college juniors as well (TAs must be 21 before July 1, 2008). For application and more details, visit <http://www.andover.edu/summersession/tainst.htm>.

13)

HIGH MOUNTAIN INSTITUTE APPRENTICE PROGRAM

Apprentices will be immersed in an intense, semester-long seminar that combines formal lessons in education techniques and philosophies of outdoor education with a hands-on apprenticeship with the Rocky Mountain Semester. Graduates of this program will be prepared for employment in outdoor or experiential education, boarding and traditional high schools, adventure recreation, and residential programs. The Rocky Mountain Semester is a unique opportunity for juniors and some seniors in high school to spend a semester living, traveling, and studying in the mountains of central Colorado and the canyons of southeastern Utah. If you're a senior interested in developing your skills as teachers and outdoor leaders through hands-on experience, apply today at www.hminet.org!

Note: One member of the Apprentice Program staff is 2001 Colby grad Christian Denckla, Program Director. Christian is also a field instructor with the National Outdoor Leadership School.
