STATEMENT OF RISK

IMPORTANT: Please Read Carefully

COOT² staff have worked diligently to assure that our students experience a safe and rewarding COOT² outing. We wish to inform our students and parents that all COOT² outings are not risk free. The same elements that contribute to the unique character and fun of all COOT² outings (canoeing, rock climbing, hiking, sea kayaking, fishing, road biking, trail work, civil service and theater) can cause personal injury, illness, and loss or damage to equipment. We want you to know in advance what to expect and to be informed that no trip is completely risk free. Most of these injuries are rare and you are not likely to encounter them. However, minor injuries have occurred, and you need to know that there is potential risk from the beginning to the conclusion of each COOT² outing.
