

TUITION, ROOM, BOARD - Program fees are billed by Dartmouth, not by Colby.

PAYMENTS - Payments are made by the family to Dartmouth. If a student receives financial aid from Colby, aid funds that are finalized will be released to the family in early September for first semester and early February for second semester. If the student prefers **student** aid funds be issued in a parent's name, we need written permission. A form will be provided with the financial aid award for this purpose.

TUITIONPAY PAYMENT PLAN - Families who use this plan for paying Colby cannot do so under Colby's plan while the student is attending Dartmouth. You may check with Dartmouth to inquire as to what payment plans they might have available.

FINANCIAL AID AND EARLY PAYMENT DEADLINES - Dartmouth may require written notification of the anticipated aid and disbursement dates. Once we have received all of the necessary paperwork and the financial aid has been calculated based on actual figures provided on the "Study Away Budget Statement and Agreement," we will send to the student two copies of a "Financial Aid Information Sheet" showing the anticipated financial aid. One copy is for the student and the other can be sent to Dartmouth if they require it.

LEAVE FORM - Students must complete a leave form with the Dean of Students Office. This should be done as soon as students are accepted into the Dartmouth Program.

STUDY AWAY BUDGET STATEMENT AND AGREEMENT (budget form) - Students who apply for financial aid, even if it is only in the form of parent and student loans, are required to have Dartmouth complete a "Study Away Budget Statement and Agreement." This form is emailed to students and is also available for pickup in our office. Students must complete the student section before mailing it to Dartmouth. If costs at Dartmouth are lower than Colby's, financial aid will be reduced accordingly. If costs are higher, the aid budget will be capped at Colby's costs for the purpose of calculating grant eligibility.
