If allowed to stay on campus during Senior week and Commencement weekend, I agree to assist with commencement events as required and assigned. I understand that if I do not assist at the events assigned to me, I will be asked to leave campus immediately and may be subject to further disciplinary action. Further, I understand that if I leave early and do not fulfill my assigned role (without notifying and receiving acceptance from Kelly Wharton) this may result in being fined \$150 or \$100 per day.
